

2024 Junior Golf League

Saskatoon Golf Club's Junior League begins on Monday, June 3rd. Each player selects a partner to play with throughout the season. Teams will play against other junior teams in the same age bracket during the 10-week session. League fee includes a t-shirt, a chance for weekly prizes and a year-end buffet. See details below!

When: Monday mornings, June 3 through August 12

Tee Times: 15 years and older begin at 9AM; 11 to 14 years old begin approx. 9:30AM; 10 years and under begin approximately at 10AM (Actual tee times will be scheduled in advance; emailed and posted. These are estimated start times, participation levels in each age level will determine when a specific age brackets will start.)

What: Each player will play their own ball and record their actual score. While this is not a competitive league, we will track player performance. A tournament is planned for the last week of the season. This league is intended to introduce players to a competitive environment with a partner of their choice. Our goal is to teach players golf etiquette when interacting with other players and to improve overall golf skills.

Cost: The league fee is \$25 per person to join and \$16 each week for golf. Pull or push carts are available for free, if desired. The league fee covers weekly prizes, t-shirts and a few other perks along the way.

To Join: Complete this form and return to Saskatoon Golf Club by May 30, 2024. Please be sure to circle a t-shirt size. If you can't make all 10 weeks, but can attend most, notify us of the weeks you will be missing and we will adjust the pairings once the schedule is made.

Player 1 _____ Age _____ T-Shirt: YM YL or Adult S M L XL

Parent Email _____ Phone _____
